

## Privacy Statement

AGResearch International, LLC. adheres to industry standards in collecting, protecting and utilizing Personal Information. All Personal Information is respected, guarded and utilized strictly for the provision, delivery of and sustained services for which it was collected. The use of Personal Information shall in all circumstances protect the privacy of our prospective and current clients.

AGResearch International, LLC. collects, uses and manages Personal Information to understand current and prospective client needs, provide better services and in particular for the following reasons:

- To fulfill the delivery of services in the best interest of our clients.
- To update current and prospective clients or to better understand needs and interests with periodic marketing, promotional or survey activity.

AGResearch International, LLC. is committed to ensuring that our data is secure. We utilize the most up-to-date information protection in the collection, retention, distribution and management of all information. In order to prevent unauthorized or unwarranted access or disclosure, our technology infrastructure and systems are monitored and tested by experts. Data integrity is our highest propriety. We have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect.

If you have any concerns or questions about our use of your information or about this Privacy Statement, please contact Patti Mayer, President of AGResearch. We will make every reasonable effort to address your concerns and remedy any issues you bring to our attention.
