**AGResearch International Recognized as One of Nation's Top Women-Owned Businesses**

DENTON Texas, Jan 16—**AGResearch International LLC**, a woman-owned HR support services firm providing recruiting and research to corporate and search firm clients, **has been named as one of the top women-owned business in Texas as well as in the country.** These awards, given annually by DiversityBusiness.com, recognize companies based on gross annual sales value and their corporate profiles.

DiversityBusiness.com has more than 35,000 members and is the largest organization of diversity-owned businesses throughout the US. Member businesses typically provide their services to Fortune 1000 corporations, government agencies and educational institutions. AGResearch goes beyond what is typical, with 9 clients in the Fortune 50 and 23 in the Fortune 100. In addition, AGR's unique pricing model, diverse lines of business and breadth of experience allow them to meet the needs of virtually any company, whether they are a top ranked corporation or a smaller business.

AGResearch is included by DiversityBusiness.com on the Div500 national list and the Div100 list for the state of Texas. These lists represent many of the nation's strongest industries and are used by large organizational buyers who recognize the importance and value of selecting multicultural and women-owned businesses.

AGR is also a member of the Women's Business Enterprise National Council.
